

>> Booking Contract

F E E S >>

For all photo sessions, a 50 percent non-refundable deposit is required to book and hold the selected date and time for your session. An email will typically be sent out within 48 hours of our initial conversation confirming date and time, which will include the amounts of the deposit and full fee balance. The initial deposit must be paid within three days on www.DallasAnneDuncan.com. ****Please note that if the contract does not go out immediately, there will be a grace period of payment due of at least one week following.**** Please click under the “Shop Witchling Boudoir” tab to find the photo booking site. The remaining balance will be due on the day before your session. It may be paid at the same link.

If the deposit is not received within three days of the email invoice being sent, the date will reopen at the discretion of Dallas Anne Duncan, and you may be subject to a 10 percent late fee to re-secure your date. It is your responsibility to abide by the terms of this contract, thus Dallas is not responsible for telling you the date has been reopened and she has the right to book another session for that date.

Should your final balance payment not be paid by the day of your session, you may be subject to a 10 percent late fee and your edited images will not be released until the balance is paid.

Should your session be scheduled for a location that requires payment for being used as a photo location, that amount will be included in your session deposit amount due. Actual reservation of the location will be handled by Dallas once the deposit is paid. Failure to pay your deposit within three days of your email invoice (or the grace period) being sent out could be considered forfeiture of the location, and a second location must be selected in order to continue with your session on that date without another deposit being required.

Sessions booked outside of the Athens and Augusta areas {Barrow, Clarke, Columbia, Lincoln, Madison, McDuffie, Oconee, Oglethorpe, Richmond, Warren and Wilkes counties} are subject to a \$100 travel fee plus the cost of any hotel lodging that may be required if Dallas needs to arrive the night before or stay the night of a session.

C A N C E L L A T I O N S >>

If a session is scheduled outdoors and needs to be rescheduled due to poor weather, the date may be moved one time without incurring an additional non-refundable deposit.

For all other instances, the deposit can be credited toward a future session if you provide 72 hours’ notice of need to cancel. Cancellations within 72 hours will be subject to the full session fee due on the initially selected date as referenced above.

TIME >>

It is your responsibility to arrive on time, dressed and prepared for photographs. Should you be late to arrive, time will be deducted from your session. If you are more than 20 minutes late, Dallas Anne Duncan has the right to leave and the non-refundable deposit will not be able to be moved to another date. In addition, you will be subject to the full session fee as referenced above.

Should Dallas Anne Duncan be late arriving for any reason, the time she is late will be added to the session. If her tardiness is by more than 20 minutes, you have the right to move the date without an additional deposit being necessary.

Sessions that go over the allotted time will be charged an additional \$35 per 15 minutes of length, if you wish to continue photographing and there is not another session following yours. Each additional full hour of photography will be subject to an additional \$150 fee.

DURING.YOUR.SESSION >>

It is your responsibility to arrive on time, dressed and prepared for photographs. Should your session include more than one outfit, it is your responsibility to change clothes, hair and makeup in an efficient manner so as not to lose time during your session or be subject to additional fees for session length.

For a group session, your photos will include individual portraits as well as group photos.

For an individual who wishes to bring a family member or friend along, such as for graduation portraits, your guest will not be permitted to be in any photos free of charge. Should you wish to have an additional guest in your individual photos, your session will be subject to an additional \$35 fee per person.

Guests are expected to remain to the side and quiet during the photo session, unless specifically asked for input or to assist in some way. No cell phones or cameras other than those of Dallas Anne Duncan may be used during a photo session, either by yourself or a guest.

POST-PROCESSING >>
